NEWS ITEMS

Staff Notes

At a meeting of the Committee Representing the Teaching Staff held on January 23, Professor W. G. Raymore was unanimously elected Chairman of the Committee in place of Professor J. T. Wilson, the retiring Chairman.

Dr. P. H. Brieger attended the Director's meeting at the College Art Association's annual meeting in New York, January 23-26, and read a paper on "The Apocalypse by Brother Alexander and the Revival of the Illustrated Apocalypse in the Thirteenth Century."

Professor R. E. Williamson has been named member of the Associate Committee on Radio Science of the National Research Council.

Professor J. F. Heard delivered lectures on "Time Difference Tables for Navigators" and on "Refraction at Low and Negative Altitudes" to the Specialist Navigation Course at Summerside, P.E.I. on February 21.

Professor Helen S. Hogg has accepted an invitation to give a course of lectures on "Stars, Galaxies and the Universe" at the Harvard University Summer School during the summer. Professor Hogg will also lecture at Mount Holyoke College in the College Lecture Series on April 30.

Professor G. M. D. Grube is in England on leave of absence of six months to complete work on his Greek Literary Criticism.

While on leave of absence, Professor D. G. Creighton has been asked to lecture in several English universities: February 14 at London, February 27 at Bristol, and February 29 and March 7 at Oxford.

Professor B. Wilkinson spoke on "The Historical Background to the International Situation Today" at the Stamford Collegiate Institute, Niagara Falls.

Professor G. W. Brown was one of three members in a panel discussion of "The British Monarchy" on the radio and television Round Table programme of the University of Buffalo (WBEN) on February 16.

During the past month Professor D. J. McDougall and M. R. Powicke gave lectures in the Current Affairs series for officers of the R.C.A.F. at Trenton, Mr. McDougall's subject being the British Commonwealth, and Mr. Powicke's, Iran.

K. L. Levy has been elected president, and Dr. N. H. Tayler, secretary-treasurer, of the newly formed Southern Ontario Chapter of the American Association of Teachers of Spanish and Portuguese.

Professor J. A. Irving addressed the Workers' Educational Association in Toronto on January 28 on "The Moral and Political Philosophy of Bertrand Russell," and the English Speaking Union on February 4 on "Democracy Today." Professor Irving has been elected a member of the Editorial Board of *Canadian Welfare*, and a member of the Advisory Committee of *International Journal*.

Professor B. E. Shore spoke on the Soviet Union in the Current Affairs series at the Toronto R.C.A.F. Station on February 1 and 26, and on "European Union" at a meeting of the World Federalists on February 6.

G. N. Kulikovsky addressed the Russian Orthodox Church on February 12 on "Patriarch Nikon and Russian Dissent."

Father I. T. Eschmann is giving a series of lectures at the University of Montreal.

The speaker at the St. Michael's annual Arts Banquet for the centennial year will be The Hon. Louis St. Laurent, Prime Minister of Canada. The banquet will be held Sunday March 16.

M. Etienne Gilson spoke over the CBC, Wednesday, February 20 in the series "Christianity in a Scientific Age." During the month of March M. Gilson will give lectures in Chicago, St. Louis, Houston, and Cleveland.

Drs. A. J. Elliott, H. L. Ormsby and J. C. McCulloch attended the Congress of the Pan-American Association of Ophthalmology in Mexico City, January 6-11. Dr. Ormsby reported an original contribution on "Clinical and Experimental Studies in Herpes Corneae Employing Cortisone Acetate" and Dr. McCulloch was a speaker in a symposium on hereditary eye diseases. Dr. Elliot was made an assistant secretary of the Association.

Dr. T. H. Hodgson and Dr. Maria Arstikaitis gave a paper on "The Effect of Lobotomy and Electroshock on Intraocular Pressure" at the Mid-Eastern section of the Association for Research in Ophthalmology meeting, Ann Arbor, February 1.

Professor R. E. Barrett attended the annual meeting of the Canadian Institute of Mining and Metallurgy in Ottawa, January 20-24.

Professor J. E. Reid attended the Winter General Meeting of the American Institute of Electrical Engineers in New York, January 21-25.

Dr. R. M. Husband attended the meeting of the Technical Section of the Canadian Pulp and Paper Association in Montreal, January 23-25.

Dr. W. F. Graydon attended a Symposium on Metals and their Reactions at Ottawa, on January 28-30.

Professor P. M. Corbett attended the Fiftieth Annual Convention of the Canadian Ceramic Society in Niagara Falls, February 10-13, and presented a paper entitled, "Colour and Colour Defects in Glazes."

Dr. G. Sinclair attended a meeting of all chairmen of professional groups of the Institute of Radio Engineers in New York on February 15.

Drs. L. M. Pidgeon and B. Chalmers and Professors S. E. Wolfe and W. A. M. Hewer attended the annual meeting of the American Institute of Mining and Metallurgical Engineers in New York, February 18-21. A joint paper by Dr. Pidgeon and Dr. O. J. C. Runnalls, a former undergraduate and graduate student, entitled "The Preparation of Iodide Titanium" was presented at this meeting.

Dr. B. Chalmers delivered a lecture at the Johns Hopkins University in Baltimore on February 11.

Dr. L. M. Pidgeon gave a lecture entitled "Chemical Metallurgy of the Reactive Metals" while on tour to Sarnia, London, Hamilton and Niagara Falls, January 24-29, for the Chemical Institute of Canada.

Dr. E. S. Moore delivered three lectures on January 14, 15 and 16 before the graduate students and staff in Geology of Columbia University, New York.

Dr. L. E. Jones will attend a Fluid Mechanics Conference at the University of Ohio, Columbus, on March 17-19.

Professor E. A. Allcut acted as one of the judges in the National Industrial Design Competition at Ottawa on January 29. Professor Allcut addressed the London Chapter of the Canadian Society of Cost Accountants on January 24 on "Industrial Organization and Management."

Professor F. G. Ewens was appointed, in January, to the Canadian Standards Association's newly formed Committee on Convectector Radiation.

Dr. G. N. Patterson and Dr. I. I. Glass attended the annual meetings of the Institute of the Aeronautical Sciences and the American Physical Society, in New York, January 28-February 2.

A paper on "One-dimensional Theory of the Absorption and Amplification of a Plane Shock Wave by a Gaseous Layer" written by D. Bitondo, I. I. Glass and G. N. Patterson, was presented to the Fluid Dynamics Session L of the A.P.S. by Dr. I. I. Glass.

Professor Bertha Bassam attended the Midwinter meeting of the American Library Association at Chicago in January and was invited to participate in a panel discussion at the Association of American Library Schools meeting.

Professor A. S. Michell gave an illustrated address entitled "Southern Pulpwood Logging Techniques" to the Northern Ontario Section, Canadian Institute of Forestry, at Kapuskasing, Ontario on February 14th.

Sir Ernest MacMillan will conduct the Toronto Symphony Orchestra at Laval University in two guest performances on March 25.

Dr. Drummond Wolff has been appointed organist and director of music at Christ Church Cathedral, Montreal.

Dr. Ettore Mazzoleni will conduct the CBC Orchestra on March 12.

Dr. Richard Johnstone was chorus director for the CBC Opera Company's production of "Peter Grimes" on February 27.

Extramural lectures will be given during March by Dr. M. A. Cox before the Brant County Dental Society at Brantford, by Dr. K. J. Paynter before the Kingston

and District Dental Society, by Dr. W. K. Shultis before the Elgin County Dental Society at St. Thomas, and by Dr. D. H. Jenkins before the Bay of Quinte Dental Society at Belleville.

Dr. D. M. Tanner addressed the Sudbury Dental Society at its monthly meeting of February 20.

Dr. J. B. Macdonald and Professor J. J. Rae will present reports on research projects at the International Association for Dental Research meeting at Colorado Springs, March 21-23.

Dean R. G. Ellis and Professor J. H. Johnson will represent the Faculty of Dentistry at the American Association of Dental Schools annual meeting at Colorado Springs March 24-26.

Professor Albert Rose visited St. Catharines on February 1 under the auspices of the Children's Aid Society of St. Catharines and Lincoln County to act as consultant to citizens' groups interested in housing conditions and needs in that area.

Miss Catherine I. Steele, for the past six years Supervisor of the Division of Education of the Royal Ontario Museum, has been appointed Head Mistress of Havergal College and will assume her new duties during the coming summer.

The Committee of University Purchasing Agents, headed by Carl Johnson, and appointed by the Canadian Association of University Business Officers to study difficulties encountered with Customs Classifications, Sales and Excise Taxes and their effect on University purchasing, has conducted a survey of thirty-three Canadian Universities and Colleges. Mr. Johnston and his committee were in Ottawa in January by invitation of the Minister of Finance to present their findings and suggested amendments to the Tariff Board.

Faculty and Department Notes

Seminars in the Department of Physics in February were conducted by Professor M. A. Preston on "Report on the New York Meeting of the American Physical Society," and by H. M. Love, on "Cosmic Radiation at High Altitudes."

The Faculty of Medicine is giving a Refresher Course in Eye Surgery from March 31 to April 4. The instruction will consist of lectures, operative clinics on patients and cadaver surgery, and guest surgeons will be Dr. Daniel B. Kirby, New York City, and T. Keith Lyle, London, England.

Dr. W. Abbott of the English Ministry of Education visited the University on February 20-22 in connection with the selection of Athlone Fellows. These awards are made to enable Canadian engineering graduates to take post-graduate training in England.

The Home Economics Department, Ontario College of Education, is offering a two-day Workshop, April 17 and 18, to supervisors and teachers of home economics in Ontario. The leader will be Mrs. Gertrude S. Capps, Supervisor of Homemaking Education, Detroit Public Schools, and faculty member of Wayne University, Detroit.

In January the Institute of Business Administration and the Faculty of Forestry jointly provided a course on Principles and Practices of Administration for a group of senior officials of the Ontario Department of Lands and Forests, which was attended by twenty-four people, including Regional Foresters, District Foresters, and officials from Queen's Park. Instruction was provided by Professors V. W. Bladen, T. C. Graham, S. G. Hennessey, W. S. Thomson and J. C. Sawatsky, M. G. Taylor and A. S. Michell.

Dr. J. G. Flanagan, Professor of Psychology and President of the American Institute of Research, Pittsburgh, visited the campus in December under the Mental Health Training Scheme. Dr. Flanagan headed the psychological services of the US Army Air Force in World War II and is currently devoting himself and the non-profit organization he heads to the development of new techniques for the psychological appraisal of combat troops and industrial workers. While here he conducted a series of seminars for graduate students and staff, and delivered a public lecture on the topic, "Current Trends in Applied Psychology."

Dr. C. G. Stogdill, psychiatrist of the Toronto Board of Education, conducted a

series of seminar discussions in February on the topic, "Mental Health and Education," as part of the Mental Health Training Scheme.

Continuation courses for graduates in dentistry scheduled for the month of March are as follows: Dental Caries: Etiology and Prevention, March 6-8, guest lecturer, Dr. R. F. Sognnaes, Harvard School of Dental Medicine; Endodontics, March 10-14, guest lecturer, Dr. Louis I. Grossman, School of Dentistry, University of Pennsylvania; Orthodontics, March 31-April 4.
